Germany

Our Ref: P606106EPPC

7 June 2024

European Patent Application No. 22724535.4
SURFACE CLEANER INCLUDING PUMP COOLING
Techtronic Floor Care Technology Limited

We write in response to the Communication pursuant to Rules 161(1) and 162 EPC dated 8 December 2023.

We hereby submit and amended claim set to replace the claims currently on file.

Amendments

Claims 16 to 37 have been deleted.

Final Statement

It is submitted that the Application is now in a form ready to proceed to grant, and we look forward to receiving the Rule 71(3) EPC Communication in due course. As a precaution, should the Examiner be minded to refuse the Application without further written correspondence, we hereby request Oral Proceedings in accordance with Article 116 EPC.

Should the Examiner wish to raise any further minor objections to the Application that may be dealt with without further written correspondence, the Applicant hereby requests the Examiner to contact the undersigned directly on 01142733400.

The Applicant reserves the right to re-amend this Application within the scope of the application as originally filed, or to file one or more divisional patent applications within the scope of the Application as originally filed.

Yours sincerely

Dr. Mark Sugden
